

- 1 . I enjoyed experiencing the many pieces of work at the exhibition. Also, it was fun to think of how each artist used various images to create their work.
- 2 .I was also interested in some of the other groups' artworks and wish I had the chance to experience and have a more detailed look at them. I found that art has various perspectives and I thought it very interesting.
- 3 . Through this experience, I was able to feel that art can indeed be a fun thing.
- 4 . I was able to intimately experience works that are truly one-of-a-kind.
- 5 . It was interesting to see how the artists felt when they created the pieces.
- 6 . Each school bag has a different character and just looking at them made me happy.
- 7 . This exhibition made me feel like doing art myself.
- 8 . The works contained plenty of thoughts from these school bag artists. It is amazing that they came up with the idea to use school bags to create art.
- 9 . Each piece of art contained the sincere thoughts of people outside of Japan wishing many of us to smile. We'd love to be able to join the school bag art event next time.
- 1 0 . It was great to see how what was just a school bag in the beginning turned out to be something entertaining. I enjoyed looking at these humorous works and hope to see them again in the future.
- 1 1 . It was beautiful. It wouldn't have been possible without Mr. Takeya. I now want to make some myself.
- 1 2 . I thought the artists were awesome for being able to create art out of school bags.
